International Applicants:

- Must be at least 18 years of age;

International Student Authorization for Studying in Canada:

- Anyone wishing to study in Canada who is not a Canadian citizen or permanent resident must obtain a student authorization before entering Canada. Those students in Canada on a visitor's visa must leave Canada and re-enter with the Student Authorization. Students should contact the nearest Canadian embassy, high commission or consulate once they are accepted to Living Word Bible College. To obtain your student authorization, the following documentation will be required:
 - Acceptance letter to Living Word Bible College, including information about the expected time to complete the program.
 - Proof of financial support - the visa officer will expect you be able to support yourself during your program of study (may need to present financial documents to prove you have the necessary funds). Or, you may be required to show that you have support from another individual or organization (Sponsor).
 - Proof of medical clearance (depending on country of residence).
 - Proof of return ticket after course is completed.

Once this documentation is in order, Canadian Immigration authorities will issue an authorization / entry visa for Canada. This must be presented to the Immigration Officer when you enter Canada and they will issue the study permit.
